DUAL SPORT

WICKENBURG, AZ

MARCH 10-14 2022

Have you ever thought of riding in Arizona in the early Spring when it's beginning to warm up? March 10-14 2022

According to our local expert, there are fewer rocks in AZ than in Colorado or Nevada, and the 2 track, singletrack, sandwashes, old mines and Adventure loops to old mining towns and saloons are epic.

The Wick Dual Sport & ADV ride will offer Dual Sport loops of 50, 100, 125 and 150+ miles.

The ADV loops will be from 100 to 250 miles of spectacular terrain in the Bradshaw mountains of Central Arizona to Jerome and Prescott.

Discounted lodging is available at the Best Western Rancho Grande in downtown Wickenburg, where we will stage from and call ride HQ.

Camping is available at several private campgrounds with info on camping & lodging sent with Sign-up confirmation.
