

When a college student unfriends a mysterious girl online, she finds herself fighting a demonic presence that wants to make her lonely by killing her. Synopsis: The fairly well-known writer Rodari compares the city of Raginog to gold that seems to lie on the surface and never be found. And then Rodarev and his friend, suffering from seasickness, set off on this amazing journey. Together with them, a large board is transported in a wagon, on which is written: "Ragin Hall is a sad place." Cast: Matt Smith, Peter O'Toole, Paul George, Isabelle Ferrer About the cartoon: Duck Tales are funny stories about what is happening around us: in the world of animals, in the world of people, in our world. The atmosphere of friendship and friendliness is conveyed without cuts, and melancholy - more precisely, thoughtfulness about the meaning of life - will not make even the best translator better.
